New York is Going Wild

The demand is so great for Ladies' Double-faced Cloth Coats that it is almost impossible to get deliveries at all on them. Never has there been a season when the people seemed to make one grand rush for any particular cloth as they have this season. While in New York this week we were able to pick up some values in these popular Cloth Coats that we know you will agree with us are the best values we have seen. We have got some Two-toned Cloth Coats in the tan and brown, the blue and gray, the gray and green and two shades of gray that are beauties, both in styles and qualities.

Ladies' Heavy Coats

The Reversible Coat is a very popular Coat with the best trade to-day. This gives you a Coat you can wear either side out, and the quality of goods is a very fine soft wool material.

In our new values just in, you will find some double-faced Reversible Coats that will surely appeal to you as being extra good. This is a line of Coats that we picked up this week, only one Coat of a kind or style. These are Coats we were able to pick up at different places, only two or three in a place, but each one was the best value in the lot. These are all the heavy double-faced Cloth Coats, are the season's best style and are extra values at the prices asked.

We have some Black Coats in this lot that are made in the odd sizes, such as 37, 39, to 45-inch bust, that are Coats which are made especially for large ladies. Are full over the hips and a little shorter waisted than the regular sizes.

Ladies' Long Coats

While many ladies want the heavy double-faced Cloth Coats, there are a great many who prefer the lighter weight materials. For these we have a lot of odd Coats where there are only one or two left in the line. These we are putting on sale to-day at a quite a little under price to close. These are odd Coats we do not want or cannot duplicate and in order to close out the whole lot are making the following low cut prices.

At \$8.00 are a few odd Coats in medium sizes that sold at \$10.00. These are good styled Coats and are all right.

At \$10.00 are a few odd Coats in grays and browns. Some of these have the Presto collar, others the wider collar. These are the regular \$12.50 Coats. Only one or two left.

We also have a few odd Coats in the better grades that we are making a special price to close.

Earn Your Share of the Prize Money

Through the generosity of the Chicago Kenosha Hosiery Co., we have made arrangements to have our customers participate in a big attractive prize contest with money prizes ranging from \$200, \$100, \$50, \$25, \$10 and \$5—98 prizes altogether.

The winners will get their money at our store. The contest consists of finding a secret ad, the different parts of which are hidden in different parts of the Black Cat booklet.

Contest Starts Now

and ends December 1, in time for Christmas. Come and get the instructions and free contest entrance ticket to-day.

Black Cat Hosiery is the famous advertised Hosiery which has the "Comfit" style for women, the beautiful and strong socks with the extended heel for the men, women and children.
